

Las Vegas

Breast Imaging Conference: Beyond Detection

Oct 5-6, 2024 | Las Vegas, NV and Webinar

Breast Imaging Hot Topics:

- Mammography Positioning Tips and Tricks
- Breast Cancer Risk in Minorities
- Contrast Enhanced Mammography
- Breast Navigation for Mammography Technologists
- A Patient's Journey Post-Diagnosis
- Breast Cancer Risks in Women Under 40
- Breast Ultrasound Reproducibility from a Physician's Viewpoint
- And Much More...

Our popular (28th Annual) Breast Imaging Conference has moved to Las Vegas! Gain insights into a **patient's journey post-diagnosis** with a passionate (and funny!) oncoplastic breast surgeon. Join our technologist-led sessions covering the latest in **Mammography and Breast Ultrasound Correlation, Breast Navigation, MQSA** and much more.

Save Your Spot Today!

2-Day Conference Tuition Starts at \$369. Attend one or both days.

To receive the group discounted rate, mention "MTMI Breast Imaging Conference" and book before Sep. 3, 2024. Visit our website for details.
