

IMAT/VMAT

a 2-day seminar

September 9-10, 2011
Las Vegas, NV

MTMI

Medical Technology
Management Institute

About this Seminar

Modulated Arc Therapy (IMAT/VMAT) is a rapidly emerging progression of conventional IMRT technology. During treatment, beam parameters are in a dynamic state while the machine is in arc motion.

This seminar offers participants an all-inclusive perspective on IMAT/VMAT. It is a must attend for any facility implementing or considering to implement this technology. The faculty will bring a large amount of clinical knowledge on relevant topics and share a host of professional experience from well established patient databases and technical experience.

IMAT/VMAT is quickly evolving as a practical solution which rivals slice-based and fixed field IMRT.

Please join us for this exciting educational opportunity!

Workshops

Attendees will be able to participate in faculty directed case presentations offered in multiple sessions. The clinical case tutorials will cover varying anatomical sites, be performed real-time (on different treatment planning systems) and be organized in tracks to allow participation by individual's within their specific area of interest.

Faculty

John Fiveash, MD

Associate Professor
University of Alabama Birmingham
Birmingham, AL

John P. Gibbons, PhD

Chief of Clinical Physics
Mary Bird Perkins Cancer Center
Baton Rouge, LA

Vivek Mehta, MD

Director of Center for Advanced
Targeted Radiotherapies
Swedish Cancer Institute
Seattle, WA

Richard A. Popple, PhD

Assistant Professor
University of Alabama Birmingham
Birmingham, AL

David M. Shepard, PhD

Director of Medical Physics
Swedish Cancer Institute
Seattle, WA

J. Ed Barnes, PhD

Course Director
MTMI
Milwaukee, WI

CME Credit

The Medical Technology Management Institute (MTMI) is accredited by the Accreditation Council for Continuing Medical Education for physicians.

The Medical Technology Management Institute designates this seminar for a maximum of **14.0 AMA PRA Category 1 Credit(s)TM**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Credits will also be provided to medical physicists by CAMPEP, dosimetrists approved by the MDCB and therapists as category A approved by the ASRT.

Educational Objectives

This seminar will assist attendees in:

- Discovering how dynamic IMAT/VMAT is fast and efficient, produces highly conformal dose distributions, improves therapeutic ratio compared with static IMRT, minimizes dose variances as a result of intrafraction motion & is well tolerated by patients.
- Identifying key clinical rationale for treating with IMAT/VMAT vs. conventional IMRT.
- Identifying the resources required for implementation of an IMAT/VMAT program.
- Classifying various IMAT/VMAT treatment planning techniques.
- Examining how utilizing IMAT/VMAT can be an advantage with Radiosurgery and SBRT treatments.
- Formulating IMAT/VMAT quality assurance practices.
- Differentiating the rationale and clinical efficiency for using IMAT/VMAT in various disease entities.

Who Should Attend

- Radiation Oncologists
- Oncology Residents
- Medical Physicists
- Oncology Administrators
- Dosimetrists
- Therapists

Membership

Joining **MTMI's membership** with this registration qualifies you for the member discount. Indicate your interest in membership on the registration form or call **MTMI**. (Annual membership dues for technologists, residents, and fellows are \$45. Dues for physicists are \$65 and for physicians are \$79. Discount effective immediately.)

Registration

Note: Enrollment is limited. Get your registration in early!

To register for this seminar:

- ☞ go to www.mtmi.net or ☞ complete the registration form and
- ☞ mail it with your tuition to MTMI, or ☞ call (800) 765-6864 using MC or Visa, or
- ☞ fax the form to (262) 717-9171 w/credit card info

- Refunds, minus a \$50 processing fee, will be granted for cancellations received prior to 8/26/11.
- Cancellations received after 8/26/11 will receive a credit toward a future MTMI seminar, minus the \$50 processing fee. No refunds will be made after the seminar.

MTMI reserves the right to cancel any scheduled program because of low advance registration or other reasons. **MTMI's** liability is limited to a refund of any tuition fee paid.

Volume Discounts for 3 or more individuals from the same facility registering at the same time, are available. Members of **MTMI** will receive a discount. (see registration form) For information on discounts and benefits of **MTMI** membership, contact **MTMI**. You are invited to tell your colleagues about this seminar or forward this brochure to them.

*Your satisfaction with MTMI programs is guaranteed,
a guarantee we are confident you won't need to use.*

Location & Accommodations

Las Vegas, NV on September 9-10, 2011

Monte Carlo Resort and Casino
3770 Las Vegas Boulevard South
Las Vegas, NV 89109

Room Rate: Thursday-\$50,
Friday-\$95, Saturday-\$129

www.montecarlo.com/ or call 800-311-8999
Make reservations by 8/18/11 and identify yourself as an MTMI attendee to get the MTMI room rate.

Registration Form:

IMAT /VMAT
 September 9-10, 2011 in Las Vegas, NV

Please print clearly - this is how your name will appear on your certificate.

Name: _____ degree/title: _____

Home Address: _____ City: _____

State: _____ Zip code: _____ *e-mail: _____
* registration confirmation will be sent to this e-mail address -PRINT CLEARLY

Day phone: () _____ Eve. phone: () _____ FAX: () _____

I am a Physician; Physicist; Administrator; Dosimetrist; Radiation Therapist; Other (specify): _____

Yes, I want to become an MTMI member! (discount effective immediately)

Tuition	Physicians, Physicists, Administrators	Dosimetrists, Therapists
Before August 26 th	<input type="checkbox"/> \$750 <input type="checkbox"/> \$720 (members)	<input type="checkbox"/> \$550 <input type="checkbox"/> \$525 (members)
After August 26 th	<input type="checkbox"/> \$795 <input type="checkbox"/> \$765 (members)	<input type="checkbox"/> \$595 <input type="checkbox"/> \$570 (members)
MTMI membership	<input type="checkbox"/> \$79-Physicians/Administrators; <input type="checkbox"/> \$65-Physicists;	<input type="checkbox"/> \$45 Dosimetrists/Therapists
