

Las Vegas

Breast Imaging Conference: Beyond Detection

Oct 4-5, 2025 | Las Vegas, NV and Webinar

Celebrate Breast Cancer Awareness Month at our 29th Annual Breast Imaging Conference!

Learn from **leading experts, improve diagnostic accuracy, elevate patient care, and strengthen workplace culture** — all while reigniting your passion for breast imaging. This year's conference goes beyond detection to focus on advancing care, improving outcomes, and supporting the professionals who make it possible.

Breast Imaging Hot Topics:

- Building A Comprehensive Breast Program
- Tomosynthesis: Narrow-Angle vs. Wide-Angle
- Positioning Techniques for CC and MLO Views
- Unusual Pathology and Its Imaging Presentation
- MRI-Guided Breast Biopsies – The Moseley Method
- Staying Inspired in a Tired Healthcare Culture
- Inspiration From a Breast Cancer Survivor
- And Much More...

SaveYour Spot Today!

2-Day Conference Tuition Starts at \$369. Attend one or both days.

To receive the group discounted rate, mention "MTMI Breast Imaging Conference" and book before Sep. 2, 2025. Visit our website for details.
