

Essentials of Musculoskeletal (MSK) Ultrasound:

Diagnostic and Interventional Skills

Jan 30 - Feb 1, 2026 | New Orleans, LA
Sept 11 - 13, 2026 | Wilmington, NC

Join us in lively settings to learn about musculoskeletal ultrasound principles and operation including presentations of proper scanning techniques with demonstrations.

You'll be thoroughly engaged in lectures, hands-on workshops and open-scanning sessions with faculty. This hands-on workshop offers training based on your experience level. You'll learn in an interactive and practical format with the direct supervision of our knowledgeable and experienced faculty.

Following the review of sonographic imaging depicting normal anatomy and pathology, participants will engage in practical hands-on scanning instruction. To complete the course, interventional techniques will be discussed and demonstrated in a hands-on lab. The combined 3-day program provides a powerful learning experience where you will improve your technical competency and patient outcomes.

Hands-On Lab Sessions:

Shoulder:

- Rotator Cuff & Other Shoulder Pathology
- Shoulder Procedures - Joint, Calcific Tendinitis
- Lavage, SASD Bursa, Biceps and PRP Rotator Cuff Tears & Biceps Tendon

Elbow & Wrist:

- Epicondylitis & Distal Biceps Tear
- Common Wrist Pathology
- Epicondylitis & UCL Injuries

Hip & Thigh:

- Snapping Hip & Groin Injury
- Hip Procedures - Joint, Hamstring, Iliopsoas Bursa, Ischiofemoral Impingement, Greater Trochanteric Bursa
- Common Hip Pathology

Knee & Ankle:

- Extensor Mechanism & the MCL
- Achilles, Plantar Fascia & Common Procedures
- Baker's Cyst & Guided Procedures
- Ankle Tendons & Ligaments

Schedule:

Day One:

- Ultrasound Image Optimization & Knobology
- Normal Ultrasound Anatomy of Shoulder w/Live Demonstration
- 2 Sessions of Hands-On Labs

Day Two:

- Principles & Techniques of Ultrasound Guided Interventions
- Normal Ultrasound Anatomy of Hip & Thigh w/Live Demonstration
- 1 Session of Hands-On Labs
- *Optional Open Scan with Faculty Members*

Day Three:

- Normal Ultrasound Anatomy of Knee & Ankle w/Live Demonstration
- 1 Session of Hands-On Lab

Tuition	Early Price	Price	Credits
Physician	\$1,659	\$1,759	16.75 AMA PRA Category 1™
