

Magnetic Resonance Safety Officer (MRSO) Certificate Program for 2026

16.5 CEs*

About this course:

Prepare to pass the ABMRS exam with this comprehensive MR Safety Officer course. This program provides educational competency and knowledge for any individual responsible for safe clinical and technical operations in the MRI environment. Obtaining the MRSO Certificate will enhance the hospital and imaging center's compliance with the Joint Commission requirements relative to the standards provision in medical imaging services.

✓ 2-Day Live Webinar

✓ Preparation for the ABMRS Exam

✓ Nationally Recognized Instructor

Ageda:

Subject to change.

Day One:

- Physics Review/ABMRS
- Static Magnetic Field
- Time Varying Gradients
- Radiofrequency Field
- Implant Statistics and Myths
- Implants and Devices

Day Two:

- Review Day 1
- Emergencies in the MRI
- Environment/Cryogenics
- Emergency Preparedness
