

CT

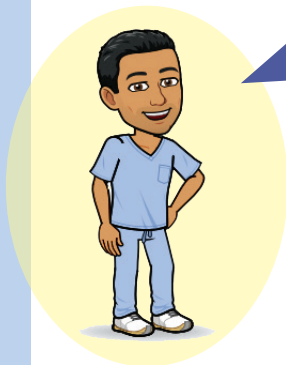

Training Course for Technologists

94% Registry Exam pass rate of past students

This course will provide technologists with the opportunity to learn this technology and become part of the evolution toward computerized imaging. This is an opportunity to improve your technical knowledge and prepare for the ARRT CT Registry Examination. If you are looking to increase your job opportunities or provide yourself with a more satisfying work experience, then this course is for you.

37.25 Category A Credits

“Lecturers held my interest for the entire seminar which is sometimes difficult to do with Webinars where there are many distractions in the home setting. Great info and presentations by all. Well worth the money!”

Louis - 2/20

“Your course was excellent. It was very professional and informative. Thank you so much
Emily - 9/20

SCHEDULE

Day One

- Patient Care
- Contrast Agents
- Basic Principles, Operational & Components
- Image Processing
- Image Display

Day Two

- Informatics
- Image Quality
- Basic CT Anatomy

Day Three

- The Physics of CT Scanning
- Creating and Processing the Image
- Display and Archive
- Radiation Safety & Dose

Day Four

- Managing Patient Dose
- Image Quality
- CT of the Head
- Soft Tissue Neck & Spine
- Thoracic, Abdomen & Pelvis

Day Five

- Advanced CT Imaging Studies
- Therapy Planning
- PET CT
- Review

CT Course Faculty

- Amber L. Lenhard, MBA, B.A. Humanities; BAS; RT(R)(CT)
- Kerry Greene-Donnelly, MBA, RT(R)(M)(CT)(QM)
- Mark Bake, DBA, MS, BS, RT(R)(CT)

Who Should Attend:

This course is appropriate for technologists wishing to enter the field of CT scanning with no previous experience as well as technologists who have worked in CT without extensive formal training. This course is also appropriate for technologists working with hybrid imaging systems that include CT such as PET/CT or SPECT/CT. A working background in cross-sectional anatomy is desirable, but is not required.

2021 Course Dates:

Feb 1-5	Milwaukee, WI
Feb 1-5	Webinar
May 3-7	Milwaukee, WI
May 3-7	Webinar
Sep 13-17	Milwaukee, WI
Sep 13-17	Webinar
Nov 15-19	Milwaukee, WI
Nov 15-19	Webinar
