

25TH Annual Duluth Breast Imaging Conference

15.75 Category A Credits

Don't miss this special 25th Anniversary Celebration of the Duluth Breast Imaging Conference

Held in the Duluth Event Convention Center in beautiful Duluth Minnesota this conference will be the best one yet. We will be joined by well-known breast imaging radiologists and mammography technologists who will deliver a cutting-edge mammography program with topics new to the Duluth conference. As in the past, the Cancer Survivor Parade is touching and inspirational. Fun is also a part of this event when you participate in our *Priceless Pink Photo booth!*

**You will leave with renewed enthusiasm and insight!
Join us as 'we paint the town pink' to celebrate our 25th!**

"All the speakers were so fantastic! I was worried about falling asleep but I held onto every word that was said. I especially loved Dr. G's talks. I appreciate her telling us techs how much we matter in womens' lives. We don't hear that where I work.

This conference has inspired and informed me. It was emotional at times and wonderfully decorated and directed. It has filled me up with a renewed passion to do my job."

Jana - 9/20

"I have been to this conference many times and it always impresses me. I always gain knowledge. Thank you for making me feel important and appreciated!"

Robyn - 10/19
