Meet the Faculty

Stamatia Destounis, MD, FACR

A radiologist at Elizabeth Wende Breast Care since 1993. Dr. Destounis participates in radiology committees locally and nationally and is a past board member of the Eastern Division of the American Cancer Society.

Linda Greer, MD

A breast radiologist, who has practiced since 1993, and has been a dedicated breast imager since 1996. She was one of the first adopters of tomosynthesis, and one of the first to convert completely to synthesized 2D imaging.

Barry S. Rosen, MD, FACS

A breast surgical oncologist in the northwest suburbs of Chicago for over 25 years. Dr. Rosen affiliated with medical facilities such as Advocate Good Shepherd Hospital and Advocate Illinois Masonic Medical Center.
