Imaging Radiographic Pathology: A Case Based Approach

Instructor: Randy Griswold, MPA, RT(R)
About this Seminar

Recognition of the pathological processes present in your images is key to ensuring a successful imaging exam. This seminar will review the concept of utilizing the silhouette sign and define and provide examples of diagnostic yield and efficacy. A major focus will be the inter-relationship of the various imaging modalities and how they clinically complement each other. This seminar will also review the concept and methods to improve image quality in order to maximize diagnostic modalities and to give the participant a radiologist's perspective as to the challenges in image interpretation. The speaker will be utilizing a case-based approach in the delivery of these concepts.

Seminar Credit

This program provides 8 hours of Category A continuing education credit for radiologic technologists recognized by the ARRT and various licensure states. ASRT Category A credit is also recognized by CAMRT’s Continuing Education Credit Approval Program for CE credit in Canada. A certificate of attendance will be provided for each individual upon completion of the seminar.

Educational Objectives

At the completion of this seminar, attendees will be able to:

- Recognize common radiologic pathologies using the concept of silhouette sign.
- Develop an image analysis strategy for various radiologic pathologies.
- Explain the interdependency of various medical imaging modalities in the interpretation of medical pathologies.
- Suggest methods to improve diagnostic image quality in order to maximize diagnostic yield.
- Identify various pathologies as shown on selected imaging modalities.
- Explain the characteristics of various imaging technologies that enhance the visualization of pathology.

About the Speaker

Randy Griswold, MPA, RT(R)

Randy has been in the medical imaging profession for over 40 years as an educator, sales and marketing professional and consultant. Currently he is with NuMale Medical Center as a patient care counselor and office manager. Prior to that he was the Director of Sales and Marketing for a Midwest distributor of digital medical imaging products. His collective experiences as an educator include being the Program Director for Bellin College, School of Radiologic Sciences and their BSRS program. He was instrumental in transforming their two-year certificate program to a four-year, accredited BSRS degree program.

Randy has 23 years of experience in radiology capital equipment sales, service and support including digital imaging, and has completed his graduate work in Public Service Administration with an emphasis in Health Care Administration and Medical Imaging Marketing. He is a past president of the Wisconsin Association of Educators in Radiologic Technology (WAERT) and the Wisconsin Society of Radiologic Technologists (WSRT) as well as being a Fellow. His passion for teaching is focused on helping technologists understand the importance of obtaining good quality images for diagnosis, in a fashion that uses the skills and techniques of radiologist interpretation.
Registration

- go to www.mtmi.net
- complete the registration form below and mail it with your tuition to MTMI, or call (800) 765-6864 using MasterCard, AMEX, Discover, Visa, or fax the form to (414) 238-2740 w/credit card info

A special advance price for those registering and paying prior to 14 days before the course is listed in tuition breakdown.

Cancellation Policy

- Refunds, minus a $30 processing fee, will be granted for cancellations received prior to 3 days before the seminar.
- Cancellations received within 3 days of the seminar will receive a credit toward a future MTMI program, minus the $30 processing fee. No refunds will be made after the seminar.

MTMI reserves the right to cancel any scheduled program because of low advance registration or other reasons. MTMI’s liability is limited to a refund of any program tuition paid. MTMI recommends that attendees use refundable airline tickets. In case of cancellation of a seminar for any reason, MTMI is not responsible for travel costs incurred by attendees including non-refundable airline tickets.

Become an MTMI Member

Membership in the Medical Technology Management Institute includes:
- discounts on MTMI services
- member newsletter
- free certificate replacement
- seminar discount effective immediately
- membership dues for technologists are $39

Save on your registration fee!
Check the membership box on the registration form or call MTMI at 800-765-6864

Many of these dates will be simultaneously broadcast as a Webinar, check website for details.

PLEASE ENCLOSE PAYMENT TO:
